

Has HE got news for you!

Tuesday 23rd March 2010
in the Morgan Room, Tredegar House, Newport

It is important for businesses to keep track of the changes to minimise the risk of costly litigation. This seminar seeks to update you on some of the recent key changes in Employment Law.

Do you know:

- what a “fit note” is?
- the key implications for the employer if the Equality Bill is implemented?
- if an employee can phone in sick while on holiday?
- the impact of the Agency Work Regulations 2010?
- when a service provision change will not be covered by TUPE?
- if it is safe to force employees to retire at 65?
- what “associative” discrimination is?

In this practical seminar we will show you how to avoid the most common mistakes which can result in hefty payouts.

The session will be followed by an early lunch with the opportunity to network, but allowing plenty of time to get back to your business for the afternoon.
